

FROM THE DESK OF

Lee Pollak

Bill —

We have been  
revisiting the <sup>US</sup> warning-  
label-on-exports  
issue and I attach  
an updated version  
of last year's memo  
showing how it might  
work. Murray Bring  
and Geoff also have  
copies and I believe  
Murray will be discussing  
the legal aspects with  
Normish
